

# FCHS FOOTBALL NEWSLETTER

VOLUME 2

May 2010

## Spring Football is Here!

May is here and that means one thing, it's time for spring football. Practice starts May 10<sup>th</sup> and will run for two weeks. Friday is an off day as Otwell will be using the facilities for their spring game. The second week will also be Monday-Thursday with Friday being an off day. We will finish up on Saturday the 22<sup>nd</sup> with the Red/Black game at 11am. Immediately following the game is our "Blitz Day". Friday the 21<sup>st</sup> will be the annual Bulldog Mothers Day camp, so if you mom's have not signed up yet, please contact Cathy Cone. This is a great time for moms and coaches and is always fun for the sons to watch.

During these two weeks we have a couple of items of business to attend to. May 13<sup>th</sup> at 6:30pm in the East Cafeteria, we will have our first meeting of the season. At that time, the board and Coach Bennett will be able to answer any questions you may have concerning items associated with Bulldog football. Many upcoming freshmen and new players have asked questions related to this summer's Iron Dawg program. This meeting is the time to obtain this type of information. Coach's handouts and volunteer lists will be made available, as well as the sponsorship pamphlets. The second item is one of our largest fundraisers of the year, the Bulldog gold card sale. This one event last year helped the booster program meet all of its budget needs and allowed us to start this year with a small cushion to work with. The players will receive these cards a week prior to "Blitz" day, in which the players, with the help of parents will canvas the neighborhoods selling cards. We will need many parent volunteers to drive for this event.

Every one of us knows the importance of fundraising. From peewee football through high school, it is needed to provide items that our tax dollars do not cover. This board is looking to find new ways to raise funds so that maybe in the near future fundraising as we know it will be a thing of the past.

Please make sure your son has a current physical report in hand if they did not attend the free physicals at Central last month. No physical, No practice - period.

Also if they are a new player they will be asked for basic information; contact names phone numbers, e-mails etc.

Many good things are coming to Bulldog football. Make sure you are a part of it!

Bruce Van Dyke
